

**Job Posting**  
**Water Treatment Plant Operator I**  
**August 7, 2024**

Sudbury Water District (the District) is accepting applications for one full-time, experienced Water Treatment Plant Operator. The position is part of the Water Treatment Plant operations crew and report directly to the Operations Manager as required. Minimum qualifications strictly apply.

**Desired Qualifications:**

- 3-5 years of positive performance in the municipal drinking water industry.
- Preference given to candidates with construction and plumbing experience or other relevant specialized skills.

**Essential Functions:**

- Computer experience, working with iPads for data collection.
- Serve as an experienced Distribution Technician.
- Significant knowledge of the operation and maintenance of distribution system equipment.
- Perform scheduled and emergency repair of pipes, valves, and hydrants.
- Operate heavy equipment (e.g., lawnmower tractor, backhoe, forklift, dump truck).
- Apply critical thinking skills and serve as part of a high-functioning team.
- Model superior internal and external customer service.
- Work outside in poor weather conditions and serve after-hours on-call or in emergency situations; perform manual labor duties, including lifting 50 pounds.

**Minimum Qualifications:**

- Possess a Massachusetts Drinking Water Treatment 1 Certification (T-1).
- Possess a Massachusetts Drinking Water Distribution 1 Certification (D-1).
- Possess a valid Massachusetts Driver's license and clean driving record (commercial driver's license preferred).
- Must be available for call outs, evenings, holidays, and weekend work.
- Must live within 30 minutes of the Sudbury Water District office.
- Valid Massachusetts driver license and good driving record required.

**Compensation and Benefits:**

Hourly wage range: \$25.11 -\$35.00. The District offers a competitive benefits package, including medical, and dental coverage, 12 paid holidays, and participation in the Massachusetts Public Employees Retirement System.
